ABOUT OKOBOJI CSD

Okoboji Schools is where we are Pioneering Pathways for Every Student by creating learning experiences to prepare each and every student to solve the problems of tomorrow. We focus on providing students with the competencies and skills needed to thrive beyond their years at Okoboji Schools. By building on the outstanding foundation and diverse learning opportunities available, we are able to construct pathways of success that allow our students to excel in communicating, collaborating, critical thinking, and fostering community—wherever their paths may take them.

Okoboji has so much to offer all students: high academic standards, strong athletic and fine arts programs. The Okoboji Community should feel Proud to Be PiONEers who are Outstanding, Optimistic, and encourage Opportunities for ALL! If you are new to the district, we look forward to providing your children with a challenging education from teachers who build academic competence, encourage innovation and collaboration, and teach with passion in an atmosphere where students are valued, celebrated, and challenged.
