### **ABOUT STRONG ROOTS CHRISTIAN SCHOOL**

A group of local families had a long-term vision to offer a 2-day prep (preschool), 3 & 5-day kinder-prep, and complete Kindergarten through 12th grade Christian education in Indianola, and with the help of God, they got to work to make it happen. What sets Strong Roots Christian School apart is our focus on involvement and collaboration between families and staff in order to provide a biblically-based education which will develop children both academically and into future servant leaders for Christ.

#### **Educational Philosophy**

Believing that God has given parents the mandate to rear children according to the truths of God's Word (Deuteronomy 6:6-7; Ephesians 6:4), the philosophy of SRCS is that education begins in the home and is advanced in the Christian school as an extension of parental authority and participation. Christian education involves testing and integrating knowledge according to a biblically-based world view (Colossians 1:16-17; John 1:3). Thus, God's word is infused into every aspect of the school program. SRCS partners with parents in educating students for lives of fellowship with God and service to others based on the inspired Word of God (Psalm 78:4; 2 Timothy 3:16-17). The Christian teacher, empowered by the Holy Spirit, guides and nurtures students through instruction, admonition, and personal example and seeks to encourage the spiritual development of students in their academic, social, and personal growth (Colossians 1:28; Proverbs 1:7) SRCS desires to provide excellence in the quality of education offered to children so that they can impact the world for Christ and bring glory to God.
